

CERTIFICATIONS FOR YOUR BUSINESS

Register with the Federal Government at: www.sam.gov, this is free. You will need your DUNS Number from (Dun & Bradstreet) after you fill out the info, you have to wait a week for a "CAGE Code" once you get that code, when filling out the information, self identify as a Women Owned Small Business, and a Minority Owned Business, then register with the SBA (Small Business Administration as a Women Owned Small Business (WOSB). All of this is Free.

FEDERAL CONTRACTING STRATEGIES:

WEOP is great at helping you with Federal Government Contracting strategies. They have training classes for it that take place in partnership with the SBDC UGA at GSU Entrepreneurial Development Center. You can learn more here: www.weop.org

There are also free trainings and webinars at Georgia Tech Procurement Assistance Center that will help you through the admin and systems portion which can be time consuming. The website for it is: <http://gtpac.org/>.

GETTING INTO CORPORATE PROCUREMENT PORTALS AS A WOMEN OWNED OR DIVERSE SUPPLIER

DIVERSE SUPPLIER:

You can register with the Georgia Minority Supplier Development Council in order to get into Corporate Clients procurement systems as a diverse supplier.

<http://www.nmsdc.org/mbes/mbe-certification/>
